Lodging Preferences:

LMLD has several lodging options for pets. If you are interested in your dog staying in our home instead of a kennel style space, please get in touch with us to discuss. We will accommodate all preferences as we are able based on availability of space, and reserve the right to relocate or crate any animal at any time if we believe it is necessary to protect the health and well-being of your dog, other dogs, or our staff.

- ☐ **The Old House** (for older/smaller dogs only) – Accommodations include approximately 3x6 indoor run with doggie door out to a large, fenced area (for older/smaller dogs only). These runs are approximately 36 inches tall and the outdoor fencing is small box wire 4 feet tall. The outdoor yard space may or may not be under roof. The building is heated with wood/propane and fan cooled in the summer. Cots are provided for indoor/outdoor use. Daily exercise will be provided in the form of leashed walks/fenced playtime on a case specific basis to best meet the needs of your pet.
- ☐ **The Kennel** – Accommodations with approximately 50 square feet of indoor/outdoor space. Secure 6 ft tall runs with doggie doors and concrete flooring. This facility is fully heated and air conditioned and is our most secure facility. Cots/blankets will be provided for indoor comfort. Daily exercise will be provided in the form of leashed walks/fenced playtime on a case specific basis to best meet the needs of your pet.
- ☐ **In the LMLD family home or at your home** – please make special arrangements.
