Bonus Question!

How did you hear about us? _____

Thank you for taking the time to answer these questions carefully. Our goal at LMLD is to breed puppies who are healthy, have wonderful outgoing temperaments, and who are true to the breed standard.

We take great care in choosing our breeding dogs. They've all had complete genetic testing and all breed specific OFA testing and have CHIC numbers. Please feel free to ask us for any/all information on our mommas and poppas, we'd love to tell you about them. All of our dogs and puppies are registered/registrable with the American Kennel Club. Just as we take great care in our breeding program, we take great care in placing our puppies with prospective families!

Your answers to these questions will help us choose the right puppy for you and your family. We make that choice based on our knowledge of each puppy in addition to the information that we collect from you.

Please return this information sheet as soon as possible to Long Mountain Long Dogs so that we may best serve you and our beautiful babies! longmountainlongdogs@outlook.com
